Lubricants

Welcome to Hagan Group, a world-renowned leader in the automotive and lubricants industry, dedicated to providing unparalleled solutions for your car's every need. Our diverse range of products and services is designed to elevate your driving experience, ensuring optimal performance and reliability.

Who We Are:

At Hagan Group and our associated companies, we take pride in our global presence and the trust we have earned from customers worldwide. With a legacy of excellence spanning several decades, we continue to push the boundaries of innovation to deliver top-quality products and services.

Our Offerings:

Hagan Lubricants:

Step into a world of engine efficiency with our premium Motor oil and Oil Additives. Our cutting-edge lubricants ensure your vehicle's heart remains protected and operating at its best.

Hagan Automotives:

Discover a comprehensive range of automotive parts, meticulously crafted to meet the highest industry standards. From essential components to car care accessories.

Hagan AutoPRO:

Experience convenience like never before with Hagan AutoPRO, your one-stop destination for all your automotive needs. From expert maintenance services to top-notch repairs, our skilled professionals have got you covered.

Why Choose Hagan Group:

Unparalleled Expertise:

Benefit from our extensive knowledge and experience in the lubricants and automotive industry. We are driven to provide solutions that exceed expectations.

Global Reach:

With our widespread distribution network, our products and services are accessible to customers across the globe, making us a truly global automotive powerhouse.

Commitment to Quality:

Quality is at the core of everything we do. Our products undergo rigorous testing to ensure they meet the highest quality standards.

Innovation and Sustainability:

Embracing innovation, we continually strive to develop eco-friendly solutions that contribute to a greener, more sustainable future for the automotive industry.

HAGAN

Outstanding Engine Protection & Fuel Economy Benefits.

Fully Synthetic Engine Oil

The Hagan PAO Series represents the pinnacle of lubrication technology, offering a FULLY SYNTHETIC engine oil meticulously crafted from premium-quality Poly Alpha Olefin (PAO) base oils, expertly blended with state-of-the-art additives. These PAO base oils undergo a rigorous process, guaranteeing not only exceptional purity but also unwavering consistency in performance.

The revolutionary Hagan FULLY SYNTHETIC PAO Series transforms engine lubrication. Its remarkable thermal stability ensures optimal engine operates at its best, guarding against wear even in the face of extreme temperatures, safeguarding against overheating, promoting longevity, and enhancing the lifespan.

This advanced formulation significantly reduces friction, resulting in improved fuel efficiency and reduced energy consumption. The Hagan FULLY SYNTHETIC PAO Series empowers engines to excel in performance. The consistent viscosity of these lubricants, adaptable to various temperatures, enhances engine function, ensuring smooth power delivery and efficiency.

These attributes culminate in an exceptional choice for high-performance and luxury vehicles, where precision engineering demands nothing short of excellence.

Synthetic Engine Oil

The Hagan Synthetic Engine Oil lineup is a distinctive collection of motor oils crafted through a fusion of premium advanced synthetic base stocks. Each formulation reflects our unwavering dedication to performance excellence, designed to not only replicate but surpass the attributes of conventional mineral oils.

At the heart of Synthetic Engine Oils lies their exceptional ability to maintain consistent performance, regardless of the extreme temperature they encounter. Through masterful engineering Hagan synthetic oil exhibits unmatched thermal stability and precise viscosity control, ensuring that your engine remains perfectly lubricated, whether facing heat or freezing cold conditions.

The true hallmark of our Synthetic Engine Oils lies in their ability to preserve your engine's vitality. The infusion of premium additives empowers these oils to stand as stalwart defenders against harmful engine deposits, preventing the formation of sludge and effectively reducing wear.

This protective shield leads to an extended engine lifespan, a testament to our commitment to your engine's long-term health. With the innovation of synthetic technology, our oils also contribute to a greener and more efficient driving experience.

By promoting improved fuel economy and reduced emissions, they align with environmental consciousness while simultaneously elevating performance.

Semi-Synthetic Engine Oil

Hagan Semi-Synthetic Engine Oils is a collection of superior synthetic base oils and carefully selected additives. Hagan masterfully created these oils that revolutionised the concept of engine care in the realm of engine oils, achieving the ideal equilibrium between high-performance capabilities and affordability.

The Hagan Semi-Synthetic Engine Oil lineup is a testament to this synergy. These oils seamlessly integrate the attributes of synthetic base oils with a carefully curated selection of additives.

The Hagan Semi-Synthetic Engine Oil range emerges as a symbol of elevated protection and performance, all without the premium cost of fully synthetic alternatives. It stands as proof of our commitment to safeguarding engines, maximizing performance, and ensuring quality care. Redefine your expectations with the symphony of excellence and fiscal sensibility that defines the Hagan Semi-Synthetic experience.

Premium Mineral

Hagan's premium mineral oils are formulated from refined mineral-based oils combined with a balanced array of additives.

Hagan Premium Mineral Engine Oils provide reliable lubrication and fortified protection for a wide range of engine types. These oils work harder to protect than conventional motor oils by preventing dirt and sludge build-up for better responsiveness and improved performance This enables your engine to operate at its full potential.

Your engine isn't just a machine; it's an investment, and our oils are devoted to preserving that investment.

Hagan Premium Mineral Engine Oil doesn't just meet the challenges of daily travel. It's the preferred engine oil for passenger cars, light trucks, powerboats, motorcycles, and other mobile equipment where engine life and performance is important.

Mineral

Hagan mineral Oils come from the earth's natural crude oil and undergo refining processes to remove impurities. They are subsequently blended with additives to meet the highest performance requirements. These Mineral oils are high-quality oils designed to meet the requirements of a wide range of vehicles.

These oils offer basic yet essential protection against friction and heat-related wear. Hagan Mineral Engine Oils are the economical choice to keep your engine running smoothly.

They provide essential engine protection by forming a durable lubricating film on engine surfaces. They offer effective wear protection and help prevent corrosion. These oils are a practical choice for standard vehicles and regular driving conditions.

Diesel Engine Oil

In the realm of robust diesel powerhouses, a superior lubricating solution is non-negotiable. Heavy-duty oils are designed for diesel-powered workhorses.

Hagan Diesel Heavy Duty Engine Oils deliver uncompromising performance and durability. Diesel engines, known for their robustness, require a lubricating solution that can match their unforgiving environments.

Hagan Heavy Duty Engine Oils rise to this challenge, delivering an unparalleled shield against wear, soot accumulation, and the trials of oxidation and thermal stress. Engine cleanliness takes center stage, and our oils excel in this regard, extending oil drain intervals and maintaining impeccable performance even amidst the harshest conditions.

These heavy-duty engine oils are designed to be the backbone of trucks, buses, ensuring that Hagan Diesel Heavy Duty Engine Oils provide the reliability and steadfastness these powerhouses demand. Whether traversing treacherous terrains or powering through demanding tasks, these oils remain an indispensable companion, unwaveringly ensuring engines are primed for uncompromising performance.

Motorcycle Engine Oil

Hagan Synthetic Motorcycle Oils are crafted with extreme precision to harness the power and delivering exceptional performance for high-revving engines. Engineered to exceed expectations, these oils provide unparalleled thermal stability and wear protection, ensuring your motorcycle's engine operates at its peak, mile after exhilarating mile.

A balanced blend of performance and value, Hagan Semi-Synthetic Motorcycle Oils stand ready. By combining the best attributes of synthetic and mineral oils, they offer enhanced protection against engine stressors while remaining affordable. With improved resistance to temperature fluctuations and wear, these oils keep your motorcycle's heart beating strongly.

Hagan Motorcycle Oils offer a comprehensive lineup tailored to cater to the diverse needs of motorcycle enthusiasts. Whether you're riding a high-performance sports bike or a rugged cruiser, our range includes Synthetic, Semi-Synthetic, and Mineral Motorcycle Oils to ensure optimal engine care.

***Avalible in Tin**

HAGAN - Grease

HAGAN grease is a high-quality lubricant that is especially formulated to provide long-lasting resistance agarinst friction.

It has unique additives that are exceptionally durable and highly stable at high temperatures and pressures. They also have good water resistance and are excellent at absorbing engine noise.

It also contains additives that not only provide lubrication but also protect against rust and oxidation.

Availability
500gms, 1 Kg, 3 kg and 17 Kg .Also available in pouch 500 gms and 1 kg.

HAGAN - Breakfluid

Hagan Brake Fluid is a glycol-based hydraulic brake fluid formulated to meet the needs of a wide range of braking systems. Whether it's from disk to drum brakes, foreign imports to domestic vehicles, trucks or motorcycles. Hagan brake fluid is tailored for every scenario where its application is required. Hagan Brake Fluid provides the assurance of precision and safety.

Engineered for performance and protection, Hagan Brake Fluid's formulation includes oxidation and corrosion inhibitors, serving as a vigilant shield for the metallic components within your brake system. This robust defence prevents the dangers of rust and oxidation, ensuring your brake system's longevity and reliability.

HAGAN
AUTOMOTIVES

HAGAN MAX -
Octane Booster

Enhances the octanes level, improves and restores the engine performance under race conditions. The product is developed to prevent engine knocking (detonation), rough idling, engine hesitation and spark plug fouling. The improved combustion will improve overall fuel economy.

HAGAN ALPHA -
Injector Cleaner

Is the one-tank clean up solution for gas-powered auto engines. The treatment restores power and performance, improves fuel economy and reduces emission of harmful exhaust gases. This product also prevents fuel system corrosion, thus increasing the lifespan and performance of the engine.

HAGAN ULTRA -
Engine Flush

Highly effective cleaning fluid for clearing the engine interior of troublesome deposits. Dissolves sludge and lacquer formers quickly and reliably.

HAGAN
AUTOMOTIVES

HAGAN Oil & Air Filters

HAGAN Filters yield the best result when coupled with HAGAN lubricants.

This combination enhances both the efficiency and the lifespan of the engine by trapping any redundant particles and contaminants circulating through the filter.

HAGAN filters are engineered to handle all grades of synthetic, conventional, and blended motor oils.

HAGAN

Carnauba Wax

HAGAN Car wax & polish is designed to restore your vehicle colour clarity and maintain its polish or shine from environmental factors. Its cutting-edge formula is precisely made to shield your car from damaging UV rays and to other scratches.

Windshield Cleaner

Windshield Cleaner safely and effectively removes a range of contaminants from glass and chrome surfaces without streaking.

HAGAN
AUTOMOTIVES

Multi Purpose Foam Cleaner

Its unique formula provides protection from damage from environmental damages. It leaves a protective layer to protect the surface from dust and water erosion. Its additives give the leather tyre prevents the applied areas from deteriorating by cracks, and make them reliable.

Brakes & Parts Cleaner

HAGAN brake & parts cleaner is formulated with a special combination of solvents for simple, safe cleaning and degreasing of structural components of your vehicle.

Anti Rust

HAGAN anti-rust spray is a fantastic solution to protect your vehicle from rust and corrosion as well as increase the shelf life of your vehicle.

Company Operated

HAGAN AUTOPRO

At HAGAN AUTOPRO, we are committed to providing our customers with the best possible products and services. We aim to be the most efficient and reliable provider of lubricants and car care accessories in the market and to always put our customers first.

Our mission is to be the global leader in high-quality lubricants and car care accessories. We set our standards high for customer service and efficiency.

Trust from our consumers is an asset for us, and that's why we always put our customers first and work to exceed their expectations. We strive to build long-lasting relationships with our customers based on trust and mutual respect.

To us, service is more than just a word; it is a badge to be earned daily. And this is the mindset that makes us the reliable go-to shop for all of our customers' automotive needs.
